

Loss or Damage to Yacht's Equipment

Inevitably, losses and damage to boat equipment are becoming an ever increasing drain on the Trust's funds. It would therefore be very much appreciated if you could 'own up and pay up' for any items which have 'disappeared' during your hire or been broken beyond further use. If you leave whilst the yard is unattended please place a cheque (made out to Hunters Fleet Limited) or cash through the front letterbox – envelopes in washrooms can be used but please mark Damages and items and name of boat.

Your help in this matter is much appreciated as it helps us keep any increases to hire costs for the next season at a minimum.
