### **Legacies: a promise to future generations**

A gift to the Norfolk Heritage Fleet Trust in your Will means that you will help future generations to experience and enjoy this unique fleet of wooden boats.

When the Norfolk Heritage Fleet Trust was formed in 1996 it undertook to keep this iconic fleet of traditional Norfolk Broads cabin cruisers intact and to continue operating from the Ludham Base.

The Trust is committed to maintaining the Fleet to the high standards set by Percy Hunter and his two sons when the boats were built in the 1930s.

Therefore, there is a necessity to employ people with the specialist boat building skills to fulfil this obligation. Additionally, re-establishing an apprenticeship scheme will ensure these skills can be carried forward in the future

*Winter Maintenance*

A further aim of the Trust is to encourage young people to sail by offering school and youth groups subsidised rates.

Future generations will therefore continue to enjoy the delights of this unique fleet in the glorious surroundings of the Norfolk Broads.

The skills of teamwork, discipline and tolerance these young people develop will be a valuable asset to them in adult life.

*Future Hunter Fleet Skippers*

Those of us who care about the preservation of this 1930s fleet of wooden boats have the opportunity to help give a promise to future generations for their enjoyment and experience.

After the first priority to provide for loved ones in your Will please consider including a gift to the Norfolk Heritage Fleet Trust.

This decision would obviously need careful consideration. However, your generous gesture would help to ensure that the things we love will still be there for the future as well as conserving a part of the history of the Norfolk Broads.

We can assure you that your legacy will be greatly appreciated and used responsibly to fulfil the aims and objectives of the Trust

Your gift, however large or small, will make a difference.

Thank you
