Hunter’s Yard
Est 1932
For Traditional Sailing and Tuition on
Unique Historic Boats
2020
Welcome to Hunter’s Yard and the Norfolk Heritage Fleet Trust, home of ‘Percy’s Lovely Ladies’. Our fleet of traditional 1930s sailing yachts are waiting to transport you to a bygone age on the wondrous Norfolk Broads.

Experienced skippers can enjoy short breaks, or full weeks onboard our 2, 3, and 4 berth cabin yachts. Or you may prefer one of our half deckers for a day or more.

If you’re a newcomer to sailing, we have a number of tuition options available. Maybe a sail with an experience skipper is more to your taste? Where you can ‘have a go’ or simply sit back and enjoy the surroundings.

The Norfolk Broads

The Norfolk Broads are a network of mostly navigable waterways which were created by tidal flooding of medieval peat workings. The outcome is a wonderful environment filled with natural beauty which is now enjoyed year after year by returning and new visitors alike.

Amongst the many attractions of the Norfolk Broads is the wildlife. You may spot a Heron patiently waiting to spy a fish to catch or glimpse the bright blue flash of a Kingfisher. You may hear the boom of the Bittern, even see one if you’re really in luck! And the Norfolk Broads is also the only place in the UK where you could spot the magnificent Swallowtail Butterfly... just like the boats of Hunter’s Fleet!

You may choose to visit Horsey Windpump and admire the views over the mere. Then take a walk to Horsey Beach and see the seal colony there. Gently quant under Potter Heigham Bridge, one of two Medieval Bridges remaining on the Broads, built in 1385. If you visit How Hill, the secret gardens are there to be explored, you can pop along to Toad Hole Cottage and the Tiny Eel Catcher’s Cottage there too.

As well as admiring the impressive How Hill House itself there are so many things to be seen and enjoyed here on the Norfolk Broads. Thurne Mill amongst others, St Benet’s Abbey - the remains of a Benedictine Monastery... and of course, many traditional pubs to eat and drink at.

Your Norfolk Broads adventure awaits!
Hunter’s History

Percy Hunter, with his sons Cyril and Stanley, built the first shed here at Womack Water in 1932. Within a year they had designed, built, and launched the first two cabin yachts of the Fleet. The Fleet grew each year and a second shed was built in 1935 to help house the 14 yachts in the winter months. The last 2 cabin yachts were completed after the war in the late 1940s.

The Hunter Family operated the Yard until 1968 when it was sold to the Norfolk County Council and was re-named Norfolk County Sailing Base. The traditions of the Yard were maintained, but the main aim became encouraging young people to sail and experience the team spirit involved. In 1995 the council decided to sell the Fleet and the Yard as part of an economy measure. After much outcry a group of influential people formed a Trust with the aim of acquiring the Yard and the Fleet, and maintaining the high standards of boatbuilding it represented.

A huge fundraising effort was carried out and donations flooded in, amounting to over £100,000. This was boosted with a magnificent grant of £200,000 from the Heritage Lottery Fund. In 1996 the Norfolk Heritage Fleet Trust took over the Yard and re-established its original name, Hunter’s Yard.

The history of Hunter’s is very much part of the Yard and its Fleet. The traditions of quality workmanship and excellent customer care remains as strong today as ever.
These single cabin gaff sloops were designed to give a performance that should satisfy the experienced yachtsman. These beautiful boats are also the most popular with very experienced solo sailors.

Five yachts are available, all built between 1935 and 1938.

Hustlers 1 & 3 are fitted with electric engines with folding props & fast charger facility

Are you or do you know of a youth group or school with youngsters in need of a change of outdoor activity? Why not bring them sailing?

A Special aim of our organisation is to encourage young people to sail. As part of this aim the Trust offers a **30% discount** on cabin yacht and half decker hire for all organised youth groups and schools.

Your youngsters can learn:
- discipline
- tolerance
- team work
- understanding the elements

This in turn can help them to:
- take responsibility for self and others
- problem solve
- increase their self-confidence

Need experienced skippers?
Can’t find enough experienced skippers for your group? We endeavour to put the organiser in touch with experienced sailors who are willing to help.

**2 Hour Skippered Sails** are also available with a **20% discount**

or email **info@huntersyard.com**

*Please note:* For group bookings all stated hire rates are subject to VAT and are calculated as hire rate, less discount + VAT

(pillows and blankets are included in this package)
The Friends of the Hunter Fleet was founded in 1996 to maintain a continuing link with the many people who made donations in order to set up the Trust, to act as a ‘User Group’ for the hirers of the yachts and to help the work of the Trust.

Today ‘The Friends’ enjoy a membership of over 900 families who are very much a part of the Hunter’s Yard environment. They help to provide practical and financial support to strengthen the aims of the Trust in terms of preserving the Fleet; maintaining the traditional skills of wooden boat building and encouraging youth sailing.

By joining ‘The Friends’ you would be:
- Assisting with the preservation and maintenance of the Yard and Fleet
- Supporting the continued use of the Fleet by schools and youth group
- Helping ensure the craft will continue to be here for everyone to sail
- Helping to preserve a small piece of local history

The nominal annual membership fee is a minimum of only £15 and helps to cover the cost of Newsletters as well as contributing towards donations to the Trust. These donations are used on items for the Fleet, not general running costs, which makes a very real difference.

Your membership fee offers you:
- Two social events at the Yard each year with free sailings for members
- A professionally produced newsletter three times a year
- A 10% discount on boat hire during Friends’ weeks

We’re always looking for new ‘Friends’ so if you’re not a member yet, why not join today or recommend a friend to? Application forms and gift vouchers are available from Hunter’s Yard, our website, or by emailing The Friends directly at louise.hopkinson@huntersyard.co.uk

Getting ready.....

Friends of the Fleet
Winter Maintenance

The winter maintenance programme is a very important part of keeping Percy’s ‘Lovely Ladies’ not only looking their best but performing their best. When you’re dealing with 21 boats, most of them over 80 years old, all made of wood, it means these ‘old gals’ take quite a bit of TLC to get them ready for their next season. Not only that, the guys here insist on them all starting as close to perfect as they can be (for old ladies that is!).

Our attitude is that prevention is better than cure, so we maintain a rolling programme of ‘properly’ repairing or replacing items before they become major problems. To manage all this we have to run a shorter season than other boatyards; with our yachts and half deckers coming into the sheds by the third week in October at the latest. This practice has been observed since Hunters first began letting yachts and goes some way towards explaining the very good condition the boats are in.

Once in the sheds the work really begins. This involves detailed assessment of repairs needed to each boat, scraping back and rubbing down, carrying out a wide range of repairs, anti-fouling, varnishing - the list goes on. The sheds are full of the sounds of machinery with tools working away and the smell of wood and varnish; finishing off with the wonderful sight of gleaming mahogany boats.

How do we manage all this every year? The answer lies in the hands of our highly skilled, traditional boat building craftsmen here at the Yard. Our dedicated team work solidly throughout winter to produce the best results for the start of the next season.
Private Work

Hunter’s Yard now offers its boatbuilding team to carry out minor maintenance, anti-fouling, varnish work, quant making, minor accident damage repairs and the like, to small wooden craft during the summer season. We can carry out repairs in the water, on a trailer or in the shed (dimensions of the boat permitting).

We’re available for this type of work from the end of April until September.

Please note, any work undertaken must be able to be completed by the end of September.

For more information about our services or for an estimate, please call us on 01692 678263
**Conditions of Hire**

**Payment Terms**
The correct deposit [25% of total] must be paid by the Hirer to confirm the booking. Provisional bookings made before 1st January must be confirmed with a deposit by 31st January. Bookings made after 1st January must be confirmed immediately with a deposit. A notice period of at least 8 weeks before the holiday begins must be given for a deposit to be refundable [less a £25 administration fee per booking]. The balance of the hire charge is due at least 8 weeks before the start of the holiday. No reminders will be sent and your booking becomes void with the loss of all deposits if the balance is not received on time. If the booking is cancelled within 8 weeks of the start date, the whole of the charge is forfeited and if unpaid at the time of the cancellation, will be sought by the Company. Only the complete yacht can be booked – not single berths. The hire terms quoted are based on costs in force at the time of printing and any fluctuation in the rate of VAT [20% from Jan. 2011] may result in a revision of the charges.

Hirers on either a cabin yacht or half decker will be required to sign an undertaking on collection to pay for damage of up to £250 per incident. Damage and/or losses are chargeable at costs as per listed on board in the boat pack.

**Accidents & Insurance**
The Hirer is responsible for taking all reasonable care of the yacht/s and its/their equipment during the period of hire and for returning same undamaged and in a clean condition at the end of the hire period. Insurance against accident or loss is included in the terms of hire subject to an excess of £250 [per incident – not per booking] is payable immediately to the Trust in case of an insurance claim, or damage at cost up to £250 net if repairs can be carried out without an insurance claim. The first named Hirer is in charge of the boat/s and is responsible for its/their safe navigation within the Broads. In the case of any accident or damage to the yacht, to other craft or to any property it is the full responsibility of the Hirer to [a] find out the name and reg no of any other craft involved, together with the name and address of the owner and/or Hirer, [b] to report these facts as soon as possible to Hunter’s Yard, on emergency helpline or 01692 678263 together with a report and diagram detailing the incident and any damage [c] inform the Broads Authority on 01603 610737 or one of their Navigation Rangers as soon as possible of any incident involving injury or damage. No repairs may be put in hand without the consent of the Company. The boats are insured for cruising during daylight hours only i.e. between the hours of sunrise and sunset as defined by the Broads tide table [copy on each yacht]. They must not be used for cruising outside these times or for racing outside of mutually agreed times.

Under no circumstances may the yachts be taken out to sea or below Haven Bridge, Great Yarmouth or through the lock at Oulton Broad. On no account may they be used for towing [other than a dinghy supplied by Hunters Yard] or be towed by other boats unless with professional assistance. It is obligatory that you adhere to the current navigation byelaws set by the Broads Authority [copy of relevant sections on board each yacht].

By paying a deposit you are agreeing to these Conditions and to any necessary amendments that may be made in future, of which you will be notified in writing. Private hiring is through Hunter’s Fleet Ltd. Youth hiring is through Norfolk Heritage Fleet Trust. All cheques should be payable appropriately.

**Booking Terms**
All boats are let on an unattended basis. It is the Hirer's responsibility to ensure the skipper and crew are experienced enough to handle the yacht and are not sailing under the influence of alcohol/drugs. The booking accepted on the understanding that the yacht is placed at the disposal of the Hirer on the specified date unless the company is prevented from doing so by circumstances beyond its control, in which case the whole of the hire fee will be returned, but the Hirer will have no claim on the Company. Advance booking for ‘extras’ is advisable. Extra gear includes all the items needed to board an additional person on the yacht, including mattresses, bedding and all utensils. Vehicles are parked on the premises at owner's risk.

**Pets**
Pets are welcome at a charge of £30. If you wish to bring your dog please inform us at the time of booking.

**Boarding times**
Saturday hirers can arrive between 2 pm-4 pm. For short breaks we will endeavour to have the boat available from 11 am. You are welcome to enquire the previous week if you require an earlier start time. If you are likely to arrive after 3 pm on your start date please inform the staff in advance. There will be a charge of £20 per boat per hour to cover staff overtime if you arrive after 4 pm (this may be waived at the discretion of the manager).

**Racing**
We now allow racing in the 3 Rivers Race & Barton Charter Regatta only; unless otherwise agreed in advance with the Trust. There are additional terms and conditions for racing, please ask for them if you’re taking part.

Please help our staff by ensuring the yacht is cleared not later than 9 am on your date of departure. A surcharge of £15 per hour or part thereof is payable after this time.
